<b>Supporting Learning</b>	I am going to take part in paired reading with students on the step up programme every Tuesday period 5. I am also going to spend every Friday taking part in the Skills Coach Programme. This will ensure I have at least 24 hours in this section by the end December 2012, enough hours to contribute for the Platinum Award	<b>Supporting Yourself</b>	I am going to work towards the Duke of Edinburgh Award for my personal challenge, as I do not know enough about this just yet I need initially to speak to the staff at Lynx to find out the commitment needed- I will do this before the end of September 2012	
<b>Supporting the Academy</b>	I will make sure I am part of the Sixth Form Opportunities evening this term which will accrue me 2 hours towards this category but I will need to identify 4 more hours in this section to qualify for the platinum award which I will identify more opportunities for after xmas	<b>Supporting the Community</b>	I am going to volunteer to help coach the South Yorkshire Excel Netball squad at Maltby Leisure Centre every Monday 5pm until 7pm. 9 weeks commitment will give me enough hours in this area for my target of Platinum Award
