Dear Parent/Carer

Sheffield Football Club Scholarship (Small Kit Bundle)

When your child is representing Maltby Academy at School Football I am now pleased to say that we are providing all of the students from Year 7 to 11 an 'opportunity' to purchase a Sheffield FC Training Kit Bundle. The main reasons behind this training kit bundle is because it will give our students an identity and they will look professional in both training and on matchdays. Additionally, wearing the Sheffield FC training kit may inspire your son to strive and work towards gaining a scholarship on the programme at Maltby Academy Post 16.

It is important to say that this kit bundle will not be worn as a Maltby Academy PE Kit for core PE lessons. However, the students will wear it for training sessions and warming up on matchdays. The company we use for ordering our training kit is called True Sporting Colours. The kit bundle on the website is named 'Sheffield FC Scholarship Small Bundle.' Obviously not all students will want to purchase the kit, but this provides our students with an 'opportunity' to purchase the training kit.

The Sheffield FC Small Kit Bundle consists of the following and can be purchased for just £39.95:

- 1 x Training Shirt
- 1 x Training Short
- 1 x Training Sock
- 1 x Training Sweatshirt

Please find attached a guidance document to assist you with the ordering of the SFC kit package.

Thank you in anticipation of your support.

Yours faithfully

Mr. Higgins
Sheffield Football Club Scholarship Head Coach

Success for today, prepared for tomorrow.
